

800m water well rotary drilling rig

1.hydraulic rotary drilling rig/trailer mounted water well drilling rig/borehole drilling rig a. the machine is equipped with crawler chassis device,easy to move with fast speed. b hydraulic oil ...

The drilling rig can drill water wells of 180m, 280m,400m,500m, and 800m depending on the needs of a client. Such versatility eliminates the need to get different water well drilling ...

Type Rotary Drilling Rig Power Type Diesel Drilling Diameter 140mm, 150mm, 180mm, 250mm, 200mm Drilling Depth Max.800m Place of Origin Shandong, China Weight 4500 KG Warranty ...

Explore the 800m crawler water well drilling rig MW800. With 800m drilling depth, it's ideal for deep - well projects. Enjoy low prices and high quality here. Contact us for more information!

The QY series water well drilling rig is a lightweight, efficient, and multifunctional drilling equipment. It is mainly suitable for drilling water wells, agricultural irrigation wells, and other ...

FY800 Water Well Drill Machine The FY800 water well drilling rig is a robust, crawler-mounted machine engineered for high-efficiency deep well drilling. Powered by a reliable 153kW ...

The 800m air compressor truck-mounted water well drilling rig is designed by our professional engineers using advanced technical concepts and is a hydraulic rotary drilling rig.

About this item Customizable options: These water well drilling rigs are available in various models, and the final price depends on your needs. For more information, please ...

The 800m air compressor truck-mounted water well drilling rig is designed by our professional engineers using advanced technical concepts and is a hydraulic rotary drilling rig. The chassis ...

All drilling rigs are multifunctional, it can be used with air compressor, mud pump, even we can just use the dry hydraulic drilling method. The drilling rigs are not only designed for water ...

800M Depth Crawler Pneumatic Rotary Borehole Water Well Drilling Rig Machine for Mine Drilling for Sale No reviews yet Shandong Wogong Technology Co., Ltd. Custom Manufacturer

The crawler-type multi-functional water well drilling rig is a new, efficient, energy-saving and multi-functional hydraulic deep well drilling ...

The 800m Crawler water well drilling rig can use mud drilling in soft formations and air down-the-hole

800m water well rotary drilling rig

hammer for rock drilling. The down-the-hole hammer is used for rock drilling, and air ...

China Water Well Drilling Rig catalog of Jcdrill Small Rotate Borehole Drill Rig 100m Deep Water Well Drilling Machine, Td300 Portable Trailer Mounted Drill Machine Able to Drill 300m Depth ...

Product Description Product DescriptionOur company's water well drilling rig is a highly efficient top-drive, fully hydraulic, and multi-functional drilling rig, featuring advanced technology, ease ...

The drilling rig can drill water wells of 180m, 280m,400m,500m, and 800m depending on the needs of a client. Such versatility eliminates the need to get ...

Industrial-grade RC800C hydraulic drilling rig for 800m deep wells. Features Cummins 154KW engine, dual-pump hydraulics, and rugged crawler mobility for tough terrains.

Key attributes Type Rotary Drilling Rig Power Type Diesel Use Water Well Voltage 220V Drilling Diameter 140-350mm Drilling Depth Max.800m Place of Origin Shandong, China Weight ...

Product descriptions from the supplier A. Equipped with a high-performance water pump system and an optimizedmechanical structure, as well as a high-speed mechanism power head, it ...

Find 800m water drill from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

Supplier highlights: This supplier mainly exports to South Africa, the United States, and Cambodia, offering full customization, design customization, and sample customization ...

Our water well drilling machine are mainly used for well drilling in resource exploration hydrology wells, civil usage water well, agriculture irrigation project, and can also be used for coal-mine ...

BTS800-Y series deep (water) well-drilling rig uses full hydraulic control, and the Top drive to drive the rotation of drilling tools with very high drilling efficiency.

Provided Mobility Good Product name Full Hydraulic Core Drilling Rig Max Drilling Depth 800mm Drill pipe length 1.5m Drilling method Top Drive Hydraulic Rotary Drilling Warranty of core ...

Can be used for the construction of hydrogeological exploration holes, in-situ leaching holes, grouting holes, shallow coal seam pores, engineering construction grouting holes, or other ...

Type Rotary Drilling Rig Power Type Diesel Use Water Well Voltage 24V Drilling Diameter 300mm, 50mm, 75mm, 60mm, 100mm, 700mm, 200mm, 1000mm, 800mm, 600mm Drilling ...

800m water well rotary drilling rig

SW-800C Crawler Type Deep Well Drilling Rig is efficient and multifunctional, which can be used for drilling wells, agricultural irrigation wells, geothermal ...

800m Place of Origin Henan, China Weight 28000 KG Warranty 2 Core Components Pump, Gear, Bearing, Engine, Gearbox Key Selling Points Competitive Price Brand Name UNIQUE ...

Q1. Is it a reliable company? Beijing Jincheng Mining Technology Co.,Ltd is a professional manufacturer of drilling rig& drilling tools in Beijing,China, and ...

Cummins engineFAQ1.What is the main function of our Well Drilling Rig?Ans.:it is the best choice for industrial and civilian drilling, geothermal drilling and other well holes, especially for water ...

What is 194 Kw 800m Price Machine Water Well Truck Equipment Rotary Drilling Rig, water well drilling rig working2 manufacturers & suppliers on Video Channel of Made-in-China .

Thanks to the full hydraulic and top drive rotary propulsion, it is suitable for various drilling processes and various drilling tools. It is easy to operate and flexible, with fast drilling speed ...

Extremely Deep Versatility: This water well drill utilizes a combination of hydraulic rotary (for hard rock) and pneumatic hammering (for sediments) to drill holes from 100 to 800 ...
