

# Buy drilling bucket rig cost

How much does a drilling rig cost?

Looking at the total cost of a drilling operation means more than just the rig's price. Fuel costs for big rigs can add up quickly, as they run non-stop. For example, drilling a horizontal well can cost over \$4 million and take about three weeks. Another big expense is labor. The job needs skilled people, with 40-50 companies often involved.

How much does a drilling rig cost in 2025?

Here's a table comparing the costs to buy new, buy used and rent a drilling rig in 2025: The cost of buying a new drilling rig ranges from \$3-4 million for basic land rigs to over \$1 billion for advanced offshore rigs.

What is a drill rig?

In the simplest terms, a drill rig, also called a "drilling rig" or just "rig," is a machine or equipment that's used to create holes, or "wellbores," in the earth's surface in order to drill for oil, natural gas, water, or other resources.

Should you buy a used drilling rig?

The used drilling rig market is a cost-effective option for operators. Prices change based on age, condition, and demand. On average, machines stay listed for 180 days on used equipment websites. When looking at a used rig, buyers need to think about maintenance costs. These costs can be quite high.

How much does it cost to drill a well?

For example, drilling a horizontal well can cost over \$4 million and take about three weeks. Another big expense is labor. The job needs skilled people, with 40-50 companies often involved. Getting the site ready can cost over \$400,000. Moving and setting up the rig can cost between \$100,000 and \$350,000, depending on how far it needs to go.

How much does it cost to build an offshore oil rig?

Building an offshore oil rig typically costs between \$500 million and \$1 billion. The price varies based on the type of rig, water depth, and the complexity of its design and equipment. Deepwater rigs, which need more advanced technology, are at the higher end of this range. How much does it cost to build a drillship?
