

## Commachio drill rig 4 inch diameter

The Comacchio MC-4D is a hydraulic drilling rig tailored for executing ground engineering projects in constrained or challenging environments such as ...

Traxxon is a leading supplier of foundation equipment from Comacchio, ABI, and Delmag in Canada, offering drilling rigs and attachments for piling, anchors, ...

Equipped with a 225 kW engine, the MC 28 has a robust structure and is fitted with a 14 ton mast and reinforced clamps. Thanks to the innovative mast ...

The eGEO 405 is the first fully electric Comacchio machine, the first in the world specifically designed for soil investigations and environmental drilling. This ...

The Comacchio range of geotechnical and geo-environmental site investigations equipment includes four truck mounted drilling rig models, that can be used for conventional and wire line ...

The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in confined or low overhead spaces and difficult access ...

Compact size and high performance The MC 6 is a hydraulic drilling rig designed for the execution of ground engineering works in confined or low overhead ...

Comacchio drilling rigs are broadly used in geotechnical engineering for the installation of micropiles. The Comacchio range includes a wide choice of models, featuring a rigid and ...

Comacchio GEO 205 Background: This rig can carry out a variety of drilling techniques which makes it a formidable, yet compact soil investigation rig. The ...

Discover the full range of Comacchio drilling rigs engineered for performance, versatility, and reliability across diverse applications. Whether you're in geotechnical investigations, piling, ...

MC 10 Compact dimensions The MC 10 is the latest addition to the Comacchio line-up of drill rigs for vertical applications, a 10t class rig featuring an 8000 ...

CFA and FDP piles The MC 40 is a high performance hydraulic drilling rig covering a wide range of civil engineering works such as micropiles, CFA / ...

The Comacchio MC 8D is a compact drill rig with great versatility. This drill boasts 18,000 ft lbs of torque

## Commachio drill rig 4 inch diameter

and 14" clamps. It can be also outfitted with a drifter for the installation of hollow bar ...

Limited access drilling rig 2061 working hours KLEMM KD 1011 drifter Piston weight: 11,5 kg Flow rate: 75 - 90 L/min Pressure max : 180 bar Blow ...

The GEO 900 was conceived as a mid-size hydraulic drilling rig for geotechnical works. This rig incorporates a particularly flexible design and accommodates ...

Compact size and high performance The MC 6 is a hydraulic drilling rig designed for the execution of ground engineering works in confined or low overhead spaces and difficult access jobsites, ...

The MC 12 is a versatile and powerful hydraulic drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ground ...

What's an MC-8D's favorite song? "We Will Rock You" (obviously). The Bottom Line The Comacchio MC8 isn't just a drill--it's your new best ...

Comacchio MC 28 HD Drilling Rigs Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate ...

The MC 12 is a versatile and powerful hydraulic drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ground improvement in general. The rig's ...

The MC 12 P is a versatile and powerful hydraulic drilling rig covering a wide range of engineering works such as micropiles, anchors, soil nailing and ...

The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in confined or low ...

COMACCHIO, a world-renowned designer and manufacturer of drilling rigs, celebrated for its innovative spirit and commitment to excellence. Founded in 1986 and still family-run, ...

Contact us Bored piles - CFA - Soil stabilization - Anchors - Geotechnics Water wells - Geothermal - Special works Via Callalta, 24/B - 31039 Riese Pio X ...

MC 14 Compact size and high performance Born in 2008, the MC 14 is a high performance hydraulic drilling rig designed for civil engineering works such as micropiles, anchors and ...

MC 14 Compact size and high performance Born in 2008, the MC 14 is a high performance hydraulic drilling rig designed for civil engineering works such as ...

## Commachio drill rig 4 inch diameter

Compact dimensions. The MC 4 is a drilling rig weighing 4t equipped with a robust 5000 daN mast featuring simplified articulation. The rig can be ...

The Comacchio CX line includes a diversified selection of models, ranging from lightweight and compact units, suitable for exploration drilling up to 1000 m depth with NQ rods, to heavy ...

The MC 28A HD (Heavy Duty) is the new MC 28 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote ...

What's an MC-8D's favorite song? "We Will Rock You" (obviously). The Bottom Line The Comacchio MC8 isn't just a drill--it's your new best friend. Whether you're tackling ...

MC 10 Compact dimensions The MC 10 is the latest addition to the Comacchio line-up of drill rigs for vertical applications, a 10t class rig featuring an 8000 daN mast with simplified articulation. ...

The CH 850 is a powerful, multipurpose piling rig with 360 kNm torque, 945 kN pull-up force, and 27.7m max depth for efficient deep foundation drilling.

The MC 4 D is a hydraulic drilling rig with a separate power pack, specifically designed for the execution of ground engineering works in confined or low overhead spaces and difficult access ...
