

FlexiROC D65 Surface drill rig for quarrying and mining FlexiROC D65 hole diameter: 110-203 mm (4.3&quot;-8&quot;) f A rig you can rely on Built for high efficiency mining, the DTH Whether working ...

If the drill rig has been subjected to abnormally high stresses, vital load-bearing compon-ents may have been damaged. From a safety viewpoint, it is therefore especially important to check the ...

The new efficient SmartROC D65 All these features and flexibility are consistently delivers high-quality blast packed in a rig which is economical holes with accuracy and precision. to run due ...

The SmartROC D65 is controlled via an advanced Rig Control System (RCS) displayed on a touch screen inside the comfortable, air-controlled FOPS and ROPS-certified cabin. It ...

Fast fuel filling system Cold weather kit +5&#176; C to -25&#176; C, including diesel engine heater Cold weather kit -25&#176; C and below, including diesel engine heater and ether start ProCom satellite ...

It carries 8 meter rods with a diameter of 89, 102, 114, 127 or 140 mm. The feed can also be easily adapted to take 6 meter rods if required. The XLF option means that the rig spends less time ...

MASPRO elevates the efficiency of Epiroc Smartroc D65 drills, offering OEM-quality replacement parts at a lower cost. Through local manufacturing and rapid re-engineering, MASPRO swiftly ...

2.1.4 Signs for outsourced components Signs are placed on the larger components of the drill rig. When ordering spare parts or making enquiries in regard to the drill rig, the type designation ...

With the ability to handle both short feeds and long feeds, as well as a vast number of drilling angles, the FlexiROC D60 and FlexiROC D65 are ready for work in any almost any situation. ...

Atlas Copco Surface drill rigs SmartROC D65 Technical specification The mining mastermind. Brilliant and built to last. o Supports you ambitions in the total ...

Our Sandvik DK40 rig is a reliable veteran of our fleet, Specifically designed to production drilling to a depth of 53 meters in both rotary and down the hole ...

This document provides maintenance instructions for FlexiROC D50/D55/D60/D65 drill rigs. It includes sections on general safety and contact ...

The Epiroc SmartROC D65 XLF is a cutting-edge surface drill rig designed for quarrying and mining

## D65 drill rig specs high end

applications, offering enhanced efficiency and productivity.

A flexible and versatile rig which delivers a fast return on investment The FlexiROC D65 is a reliable and versatile machine. It offers a total drilling solution which is able to perform various ...

Strikingly proficient The AirROC D55 and D65 are small rigs that drill big holes. Perfect stability allows the use of 3" to 5" DTH hammers, selected according to hole size. Atlas Copco's ...

The efficient SmartROC D65 consistently delivers high-quality blastholes with accuracy and precision. It is loaded with smart features such as automated drilling and rod handling.

+ Operator comfort The PV-271 features an insulated, pressurized cab with an air-ride operator seat -- providing high suspension comfort with excellent visibility. The large cab is equipped ...

With a robust, rugged build, the FlexiROC D65 offers superior operational efficiency, ensuring fast and precise drilling results. Its advanced technology ...

The FlexiROC D65 surface drill rig from Epiroc is the perfect balance between productivity and efficiency. A proven and dependable rig for DTH drilling in mining and large quarry ...

The FlexiROC D65 is a top-tier surface drill rig engineered for high efficiency drilling in large scale mining and quarrying operations. Designed for down the hole DTH drilling, it supports hole ...

The FlexiROC D60 and D65 represent the broadest and most versatile product offering, making it the total drilling solution, outperforming in various applications such as: production, pre ...

The SmartROC D65 is a DTH surface drill rig best suited for contour, presplit and production drilling tasks within Australian mining industry. The new generation SmartROC D65 ...

This document provides instructions for operating the SmartROC D65 T4F drill rig. It includes sections on general components and description of the rig, ...

A rig you can rely on The FlexiROC D60 and D65 surface drill rigs from Epiroc are the perfect balance between productivity and efficiency. Proven and dependable rigs for DTH drilling in ...

Proven and dependable rigs for DTH drilling in mining and large quarry applications, the FlexiROC D60 and D65 are rugged and multifunctional. They are built to take on the toughest drilling ...
