

Decker drilling rig by atlas copco

Discover the new Drill Configurator which offers intelligent recommendations and perfectly compatible accessories, saving you time and maximizing productivity. This powerful tool ...

As an industry leader in new and used drilling rig equipment for sale and rent, Rig Source has partnered with Atlas Copco to offer an extensive range of core drill rigs, water well drill rigs, ...

Find full details of the product you are looking for by drilling down through the images below, or click on the magnifying glass above to search for the type of product or part number you are ...

When this manufacturing strength is added to the industry-leading Atlas Copco drill rigs and Tricone bits, the result is a complete and reliable rotary drilling system backed by proven ...

Effortlessly select and customize your drilling solutions in just a few simple steps. Experience enhanced productivity and precision with our innovative tool. Explore now!

Rock Drills Rock drilling is tough work, but we always try to make it as easy as possible for you. The Atlas Copco rock drills are designed for various types of drilling in construction and mining ...

The ROC F9 features a drill feed system for 6.1 m (20 foot) drill rods, with a maximum hole depth of 36 m (118 feet). Please contact our local company for further information and technical data.

Source any of our most popular Atlas Copco drill rig and rock drill models including the CM780, ROC D9C-11, ROC D9-RRC and the ROC F9C-11 and harness the power of this world ...

TH60 Water Well Drill Rig Exploration drilling rigs These Atlas Copco drilling rigs focus on ground exploration and investigation, as well as ore body definition and reserve evaluation. Atlas ...

Use underground pneumatic rock drills for raise driving, bolting, and screening. The Atlas Copco BBD, DKR and SRD rock drills at 220 rpms are designed for various types of drilling in ...

The Atlas Copco T4BH is synonymous with mobility, power, performance, and productivity. Mounted on a custom carrier, the T4BH is designed to perform in rough terrain and has been ...

The Atlas Copco DM-M3 is a crawler mounted, hydraulic tophead drive, multi-pass rotary drilling rig primarily designed for deep drilling of overburden for cast blasting in large coal mines. The ...

How Atlas Copco enhances productivity in water well drilling Water well drilling or borehole drilling is the

Decker drilling rig by atlas copco

process of creating a borehole to access underground ...

The Atlas Copco DML is a crawler mounted, hydraulic tophead drive, multi-pass rotary drilling rig specifically designed for production blasthole drilling to depths of 175 ft (53.3 ...

The rig's engine coolant, compressor oil, and hydraulic fluid all have an optimum operating temperature range. The new cooling system monitors fluid temperatures and operates the ...

The Atlas Copco DML is a crawler mounted, hydraulic tophead drive, multi-pass rotary drilling rig specifically designed for production blasthole drilling to depths of 175 ft (53.3 m) with a 30 ft ...

Find ATLAS COPCO Drills for sale in Australia - including FLEXIROC T45, FLEXIROC D60, FLEXIROC D65, SMARTROC T45 & other new or used Drills on MachineryTrader

When you need power, you immediately get the power you need where you need it. This "on-demand" system increases component life, reduces operating cost and gives the driller more ...

The main appeal of the Atlas Copco T3 drill rig is the safety features, hands-free holding wrench and top wrench allowing the drill to be safely positioned over the hole and safe heavy tooling ...

Visit [.ATLASCOPCO /RD20](#) or contact your Atlas Copco oil and gas rigs representative to see how the RD20 and RD20XC Drilling System will enhance your profitability.

How Atlas Copco enhances productivity in water well drilling Water well drilling or borehole drilling is the process of creating a borehole to access underground water sources. This involves ...

Atlas Copco ROC D5 combines high productivity with the best total drilling economy to maximize profits. The boom system optimizes reach and swing to give more holes per set-up and is ...

The AirROC D35* is the smallest and most popular of our crawler mounted, Down-the-Hole drilling rigs. This robust pneumatic rig is self propelled, easy to operate and simple to maintain. ...

Compressor recommendations For all versions Atlas Copco offers a full range of compressors with a maximum operating pressure of 7 bar (102 psi)/8,6 bar (125 psi)/ 12 bar (174 psi) and ...

Designed for productivity The Atlas Copco DM30 II is a crawler mounted, hydraulic tophead drive, multi pass rotary drilling rig featuring a 30 ft (9.1 m) drill pipe change and a standard 4-rod ...

The Atlas Copco DM45 is a crawler mounted, hydraulic tophead drive, multi pass drilling rig. Featuring a 30 ft (9.1m) drill pipe change and a 5 rod carousel it is specifically designed for ...

Decker drilling rig by atlas copco

Atlas Copco models CM-760D, CM-780D and ECM-720 crawler drills cover your drilling needs for faster penetration and continuous production in solid rock. These rigs transport easily from site ...

true workhorse for the widest range of applications Unique, durable cylinder-operated feed system that makes the best use of the rock drill Long reach makes it ideal for use also in slope ...

Mineral Exploration / Core Drills Rigs Atlas Copco has long been revered as the leader in the core drilling industry and Rig Source is proud to offer its full line ...

This derrick enables conventional air-mud-DHD drilling with 20 ft (6 m) pipe. The derrick can also handle a casing hammer, dual wall pipe (reverse circulation), simultaneous drill and drive with ...

High productivity thanks to the use of Atlas Copco supreme rockdrills, covering a wide hole range. Perfect collaring and stable drilling thanks to the strong and stiff boom design. Durable cylinder ...

Drill is Capable of Carrying 500" of Rod. Truck has an 18-Speed Fuller Transmission, approx. 18,117 Miles, approx. 3,236 Engine Hours and approx.. 1,784 Compressor Hours.

Service lamps inside canopy Air flow switch High/low air flushing system PROCOM satellite based drill rig monitoring system (only in combination with a written and confirmed Service Agreement)
