

Dreco drilling rigs supplier in bolivia

Who is dreco rig equipment?

Since 1972, Dreco has led the industry in the design and construction of drilling rig structures and machinery. Dreco was first started in 1972 as Pyramid Steel before changing its name to Derrick and Rig Equipment Co. in 1976.

Where do our drilling rigs work?

Our drilling rigs are working in every environment across the globe and have become some of the industry's most iconic structures in the Arctic, Middle East, and across North America.

Who makes Derrick rigs?

By combining rig designers and manufacturers such as Dreco, IRI, Continental Emsco, and DSI, we have the unique background necessary for the most demanding and custom rig applications. We design and manufacture various derrick types for platforms, jack-ups, semi-submersibles, and drillships.
