How do you spawn a drill rig rare?

Drill Rig rares require the event Drill Rig to be active. You can build a drill in the marked locations which you have to protect for about a minute. After protecting it the cave opens and you can kill the rare in question. Special rares all have some specific conditions that need to be met for them to spawn.

How do drill rig construction projects work?

The Drill Rig daily construction projects tunnel into a small cavern and reveal a rare. That means that these rares will only be available to be killed on days that the Drill Rig construction projects are available. The rigs themselves spawn just like rares do, you can circle around their locations or pick one and wait until it spawns.

Which drill rig has the highest chance of dropping a chain ignitercoil?

This is the Drill Rig for Ol' Big Tusk which also has the highest chance of dropping a Chain Ignitercoil (39%). We are also going to include Earthbreaker Gulroc as his drop chance is the lowest (36%). When we multiply these amount with the amount of Drill Rigs required to get a Chain Ignitercoil, we will get the cost from Drill Rigs.
