

## Drilling rig injury dealer

Why should you hire an oil rig accident attorney?

Hiring a dedicated team of experienced attorneys can make all the difference. At Fielding Law, we understand the unique challenges that workers injured in oil rig accidents face. We believe every worker deserves justice when hurt on the job. Are you ready to seek justice and proper compensation?

Can a drilling company sue a man who was injured on an oil rig?

June 25,2020 -- A Texas appellate court has ruled that a drilling company in Louisiana will not have to face a lawsuit from a man who was injured on an oil rig, according to Law360. The \$1 million injury lawsuit was filed against Baywater Drilling LLC by Benjamin R., a man who suffered severe neck and back injuries on the job.

What should I do if my oil rig accident is fatal?

If an oil rig accident results in a fatal injury, it's crucial to report the accident and the fatality immediately. With the drilling company and its insurer likely to minimize compensation, it's up to you to protect your family's future.

Who operates a drill rig?

Operator or Driller: A person operating the drill rig. They may also be the driver of the rig if it is a carrier mount.

Are oil rig accidents dangerous?

From catastrophic burns to crushed limbs, oil rig accidents can be deadly. Workers who survive may suffer physical pain, deep emotional trauma, and mounting medical bills. Sadly, some employers refuse to take accountability and blame the injured victim for the accident. Were you hurt in an oil rig accident?
