

Lufeng oil-free screw air compressor manufacturer

Who is Jufeng air compressor?

JUFENG AIR COMPRESSOR is a specialized oil free screw air compressor manufacturer based on China. We offer a variety of products including piston air compressor, variable speed screw air compressor, air filter, and much more.

What is oil-free screw air compressor?

In the industrial field that pursues high-quality compressed air, oil-free screw air compressors have gradually become the preferred solution. Compared with traditional oil compressors, oil-free screw air compressors are designed to avoid contact between lubricating oil and compressed air, thereby ensuring the purity of the output air.

How can Jufeng help you find the best air compressor?

We can help you find the most suitable machines for your needs. As an innovative screw air compressor manufacturer, Jufeng has rewritten the rules of compressed air generation by launching DEWATE, a unique and dynamic oil free screw air compressor technology.

What are oil-free compressors used for?

Oil-free compressors always meet the ISO Class Zero certification for 100% oil-free air supply for sensitive applications. A few examples of industry applications include: Automotive: Oil-free compressed air creates high-quality vehicle paint finishes with smooth processes.

Are oil-free compressors a good investment?

Outstanding reliability, low maintenance and operating costs make oil-free compressors a sound investment. WISAIR's water injected screw offers the most innovative oil free technology and improved energy efficiency thanks to the superior cooling capability of water. Removing the wasted energy that heat represents gives more air per kW of power.

Is CMN the world's first oil-free screw air compressor?

With continued R&D investment, CMN, the screw air compressor manufacturer in China, has launched the world's first 40-bar oil-free screw air compressor with a water-lubricated air end and the world's first 1.2 MPa scroll air compressor, which filled an international gap.
