

Philippines fixed air compressor rental phone number

Where can I buy an air compressor in the Philippines?

Visit your local Ingersoll Rand Philippines at No. 8006 Dr. A. Santos Ave. in Parang, Metro Manila for all your air compressor needs. From reciprocating compressors to large rotary and oil-free air compressors, we have products and services to support your business.

Do you need a compressor rental for your business?

Purchasing a unit of heavy equipment for your business is a big decision, and one best made if your business frequently uses a compressor rental. Partnering with global suppliers, arranging for transport and securing documents is only half of the equation, but the price of a single unit is a serious investment.

Where can I find Ingersoll Rand air compressor?

We stand behind our products and services and beside our customers during planning, installation, and maintenance. Visit your local Ingersoll Rand Philippines at No. 8006 Dr. A. Santos Ave. in Parang, Metro Manila for all your air compressor needs.

Why should you rent an air compressor?

By booking an air compressor for rent, you can rest easy knowing that the unit supplied to you has passed strict quality control and provided with high caliber upkeep, especially if you avail the service from a trusted supplier.

What is a compressed air lease?

Typically, compressed air installations are configured to cater your peak demands. When your compressed air demands fluctuates significantly (eg due to peaks, projects, seasonality...) you can consider a (partial) compressor lease. This limits the costs of ownership: depreciation, maintenance, downtime...

Can a temporary compressor be installed outside a compressor room?

In most emergency situations, the temporary compressor installation will be placed outside your compressor room. Make sure the compressor configuration is up to the challenge to be able to provide a reliable compressed air supply.

A range of rental equipment for your temporary air, nitrogen, and steam needs that will help minimize your downtime and maximize your productivity. Call us: +63 999 885 1695
