

Quotation for variable frequency screw air compressor in Italy

Which air compressors are made in Italy?

Rotair Spa offers the best portable and diesel screw air compressors Made in Italy. Our product range includes compressors FIBRA - FIBRA PLUS for fibre optic cable laying, Utility vehicles compressors and VRH - Hydraulic motor driven compressors.

What is a rotary screw compressor for industrial?

Industry uses compressed air as a source of clean and safe energy daily. It powers tools and machinery and drives entire production processes. Our rotary screw compressors for industrial are entirely Made in Italy and have power inputs from 2.2 to 315 kW.

Who is termomeccanica industrial compressors?

Termomeccanica Industrial Compressors (TMIC) specializes in designing and manufacturing oil-injected bare shaft screw compressors specifically for air and gas applications, known for their exceptional performance and durability. Oil injected bare shaft screw compressors for air and gas applications

Why should you choose Ceccato screw compressors?

At Ceccato, we offer screw compressors tailored to small workshops as well as large-scale industrial sites, giving you a dependable solution built for performance and peace of mind. Continuous air supply - Ideal for operations that require a consistent and reliable air stream.

What is a variable speed screw compressor?

Variable speed screw compressors allow you to save up to 35% of power energy, compared to fixed speed ones. While traditional compressors work at one speed (at 100%), variable speed screw compressors regulate the motor's speed to adjust to the production's fluctuating air requirements.

Why should you consider the air compressor industry in Italy?

When exploring the air compressor industry in Italy, several key considerations come into play. The Italian market is characterized by a mix of established manufacturers and innovative startups, which creates a competitive landscape that encourages technological advancements and efficiency improvements.

Find reliable Italy compressor manufacturers for industrial and dental applications. Discover oil-free, portable, and silent compressors. Click to compare suppliers and request quotes today!

Mark Compressors is a classic air compressor brand with roots in Italy. We manufacture screw compressors, piston compressors, compressed air dryers, filters and other products. With long ...
