

The custom rock drill manufacturer

What applications do you offer rock drilling machines for?

We offer rock drilling machines and other equipment for many different applications. For example; oil and gas, construction drilling, quarrying, surface mining, underground mining, exploration drilling and dimension stone industry applications.

What makes Center Rock a world leader in canister drill technology?

CENTER ROCK is the WORLD LEADER in canister drill technology and we embrace continuous improvement. We are enhancing the longevity of our tools with new patent-pending bearing technology, which reduces service frequency.

Who is Traxxon rock drills?

Traxxon Rock Drills, established in 1963, has a rich legacy in the drilling equipment industry. Our journey began with a focus on track-mounted drilling solutions for the forestry sector, particularly for road construction along British Columbia's rugged coast. As industry demands evolved, so did we.

Who makes rotary blast hole drilling rigs?

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the perfect solution for your needs. Discover our wide range of surface drilling equipment within mining, quarrying, construction, civil engineering and the dimension stone industry.

Who is Epiroc drill rig?

Epiroc is one of the leading drill rig manufacturers in the world. We provide world leading products and services for the extraction of marble, granite, limestone and sandstone.

Are Epiroc rigs good for blast hole drilling?

Epiroc's rugged face drilling rigs are built for blast hole drilling in underground mining and tunneling. Choose your model of jumbo here and read more! Epiroc's Simba long-hole drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground production drilling.

Numa provides rock drilling products for a wide range of demanding needs in the construction, geothermal, oil & gas, HDD, mining, quarry, water well, or any ...

Founded in 1963, Traxxon is North America's leading custom rock drill manufacturer and distributor. Learn more about the history and success of ...

Our rock drill is a versatile and powerful attachment designed specifically for excavators, providing efficient

The custom rock drill manufacturer

and precise drilling capabilities for various construction and mining applications, The ...

JUPITER ROCK DRILLS PVT. LTD. - Manufacturer and exporter of mining equipment, crawler drills, wagon drills, slim drills, in-well type light weight rigs, ...

Sinodrills is a trusted geotechnical drill rig manufacturer based in China, specializing in high-quality drilling rigs for various industries. With advanced technology and years of experience, ...

Leading manufacturer of rock drilling machines in India. Explore about our company and our range of high-performance drills for mining, construction, and quarrying applications.

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

We supply drilling equipment and rock drill supplies for mining and construction projects in the USA and Canada. Get a free quote on drilling tools.

Gill Rock Drill Company is a full service manufacturer and distributor of drilling equipment, tools and supplies, such as our rock drilling machine! - Contract drilling with our trained drill crew

Discover our extensive range of rock drilling equipment designed to conquer the toughest challenges in the mining industry. From top hammer drilling tools to down-the-hole (DTH) and ...

Rock River tool manufactures carbide tipped and solid carbide cutting tools including drill bits, end mills, reamers, milling cutters, slitting saws, & core drills for steel cutting, non-ferrous, cast ...

Top manufacturer of foundation drilling tools. We supply high-performance Kelly Bars, auger bits, drilling buckets, core barrels, and custom solutions. Get your quote today.

Gill Rock Drill Company is a full service manufacturer and distributor of drilling equipment, tools and supplies, such as our rock drilling machine! - Contract ...

The Concentric Casing System with Blocks is an innovative well-casing technique for drilling in unstable formations. It uses a series of concentric pipes and a special block system to prevent ...

Drillers who are looking for reliability and cost effective long bit life find Mash Bits drill bits are the answer. Mash Bits field-proven bit designs meet the most demanding drilling needs. From one ...

Distributor*, Custom Manufacturer, Custom Manufacturer - Instant Quote, Service Company ? \$5 - 9.9 Mil Revenue ? Est. 0 Distributor of hand held hammer drills for drilling holes in rock, ...

The custom rock drill manufacturer

Here's a list of the top 10 drill bit manufacturers in 2025. These companies are known for their advanced technology, strong partnerships, and focus on ...

Discover the world's leading drill rod manufacturers, including Sandvik, Atlas Copco, and Sinodrills. Our in-depth guide covers key players and helps you choose the best ...

Welcome to a legacy of reliability and performance. We are the leading suppliers of rock drills, rock drill accessories, machine spares and consumables used in ...

Discover the world's top rock drilling tools manufacturers, including Sinodrills. Explore company profiles, product ranges, and the latest innovations driving efficiency and ...

Sinodrills, a leading manufacturer from China, delivers high-quality diamond drill bits for rock. Established in 2002, we specialize in durable and efficient drilling ...

Custom manufacturer of hole bits and horizontal directional drilling consumables for oil and gas, geo-thermal and water well, construction and mining sectors. Products include DTH bits, PDC ...

Rock River tool manufactures carbide tipped and solid carbide cutting tools including drill bits, end mills, reamers, milling cutters, slitting saws, & core ...

Custom Foundation Drilling Tools Manufacturer and Supplier, Including Rock Auger Teeth, Weld on Carbide Teeth, Conical Teeth, Casing Teeth

Whether you need a pilot hole in a marble quarry, a core sampling hole, a blasthole for construction or mining in a drill-and-blast operation, we have the ...

As a long recognized leader and innovator in the Drilled Shaft Industry, Watson is uniquely qualified to design and manufacture foution drill rigs for drilled shaft ...

Gun drill on manual and CNC lathes and mills! Gun drill all types of metals, woods, composites! Optimize performance on gundrilling equipment! A full line of gundrilling accessories, ...

Are you in need of industrial carbide drills or custom cutting tools? Click to learn more about Specialty Tools Inc and the carbide tools we manufacture.

This section provides an overview for rock drills as well as their applications and principles. Also, please take a look at the list of 28 rock drill manufacturers and ...

Discover the world's top rock drilling tools manufacturers, including Sinodrills. Explore company profiles, product ranges, and the latest ...

The custom rock drill manufacturer

As a long recognized leader and innovator in the Drilled Shaft Industry, Watson is uniquely qualified to design and manufacture foundation drill rigs for drilled shaft (bored pile) construction. ...

Superdrill Equipment specializes in manufacturing and supplying a variety of rock drilling tools, including handheld rock drills and pneumatic drills, designed for quarrying, mining, and ...

We are trusted by leading global rock drilling, oil-and-gas, construction, mining, and foundation contractors for any operating condition.
