

What is the phone number of the Kuwait rock drill dealer

Who owns Kuwait Drilling Company (KDC)?

Kuwait Drilling Company K.S.C (KDC) was established in 1963, and became a joint venture between CMS and Kuwait Petroleum Corporation (KPC). CMS has 51% stake in KDC and 49% stake belongs to KPC. Over the years of operation, KDC has drilled more than 2,800 wells in Kuwait and Joint Operations (partitioned zone between Kuwait and Saudi Arabia).

What should you consider when exploring the drilling industry in Kuwait?

When exploring the drilling industry in Kuwait, several key considerations arise. First, understanding the regulatory framework is crucial, as Kuwait's oil sector is heavily governed by the Ministry of Oil and various environmental laws. Compliance with local regulations ensures that companies operate legally and sustainably.

Why is Kuwait a good place to invest in oil?

The competitive landscape is characterized by a mix of local and international firms, each vying for contracts in a market that remains vital for global oil supply. Kuwait's strategic location in the Gulf region further enhances its relevance in the global oil market, making it an attractive destination for investment in drilling activities.
